# Shall We Dance?

Here's the irresistible comedy treat that has critics and audiences cheering all across America! A middle-aged workaholic's incredibly dull life takes a funny turn when he signs up for a ballroom dance class — just to meet the sexy dance teacher. But when he finally muscled up the nerve for lessons, he winds up with a different instructor and her colorfully eccentric class of beginners! And now he'll have to step lightly — and do some fancy footwork — if he expects to keep his new secret passion from his family and friends! You'll love every minute of this crowd-pleasing motion picture!
